5th Grade Families

We are so excited to bring all the students back full time starting March 8, 2021. Following ECSD and CDC Covid-19 guidelines we need to add a third 5th grade class to maintain our 3-foot distancing between peers and 6-foot distancing with the teacher. With this being said we are so excited to welcome Mrs. Denny to our Spring Creek Elementary family.

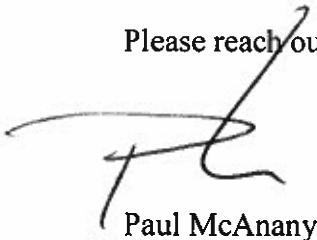

The 5th grade will go back to their original home rooms:

Mr. Walker
Ms. Algerio/Mrs. Anderson
Mrs. Denny. This will be Mrs. Kirk's original class.

The 5th grade will rotate between the 3 classes with Mr. Walker teaching Math, Ms. Algerio/Mrs. Anderson teaching Language Arts and Mrs. Denny teaching Science and Social Studies.

This has been a year with many changes and uncertainty. Let's hope this is the last change your students have to make this year.

Please reach out with any questions or concerns. 753-6881.

Paul McAnany
